

RECENT OPERATIONS

By Paul Rardin

I saw a story in a county paper last week about Georgia water-melons. Just to keep the record straight those melons didn't come from Georgia at all. They had to come from Lake county, Florida. Georgia won't have any melons until June 10. Henry Barwick Pahokee broker, is my authority on this statement. Henry said his brother Albert bought a car of melons at Leesburg the other day for \$1250. There were 700 melons in the car. He said the first two cars of the season brought \$1500 each.

Dr. B. Blicher, dentist who formerly practiced in Pahokee before going to the army, is out of the service and again practicing his profession in the Cameau building in West Palm Beach. His room number is 720 and I am of the opinion that Dr. Blicher will be happy to see his Glades friends.

Jerry and Louis Gold at the Prince theatre are a couple of chaps who didn't mind providing their competitors with electrical conveniences. By that I mean they had their electrician rig up a loud speaker for the election officials Tuesday night to entertain the crowd in Pahokee. It is possible that part of the crowd might have gone to the picture show if the speaker hadn't been available to entertain them. The Gold boys have long had the reputation of being good fellows.

To our exchange desk this week comes the first issue of "The Trumpet", cute little magazine-size newspaper from West Palm Beach with the name of Gordon Baxter on the mast head as publisher. Gordon is a former reporter on the Post-Times and his first issue is a snarky job. I see that his wife's name also appears on the mast head as business manager. It should be a winning combination with Gordon doing the writing and so selling and the Missus handling the dough. Here's my best wishes for a lot of luck. May the "Trumpet" continue to trumpet for a long spell to come.

Funeral Services For W. A. Maxey

Funeral services for William A. Maxey, 71, were held at the Pahokee First Baptist Church on Wednesday, May 15, at 2:30 p. m., with Rev. Carl A. Moberg pastor officiating.

Mr. Maxey died at the local hospital on Tuesday evening following an illness of several months. He was a carpenter by trade and had been a resident of Pahokee since 1928.

Survivors include the wife, Mary B.; two daughters, Mrs. Ed Claybourne of Tampa and Mrs. Fairley Seavers of Mayfield, Ky.; stepdaughter, Mrs. Myrtle Williams of Lafayette, Tenn.; son, H. B. Maxey of Madisonville, Ky.; and two stepsons, Roy and Alton O'Neal of Pahokee. There are seven grandchildren and four great grandchildren.

Burial was at the Port Mayaca Cemetery. Berry's Funeral Home was in charge of arrangements.

ADVANCE NOTICE

The Sunny South Quartet will include in its itinerary the City of Pahokee. This group of radio fame, will present its program in the First Baptist Church auditorium on Tuesday night, April twenty eighth. More details later.

Richardson Named Mayor Of Pahokee; Morgan New Chief

T. C. (Dick) Richardson was elected mayor of Pahokee, Altman E. Morgan, chief of police, and Don Hillier, councilman, group two, in the city run-off election Tuesday. Voting was even heavier than in the first primary election. The 842 votes were cast as follows:

For Mayor:	
T. C. Richardson	535
John A. Dulany	298
For Chief of Police:	
Altman E. Morgan	447
Albert Gant	386
For Councilman, group two:	
Don Hillier	435
Don Hillier	401

Add to the above new officers F. M. Shaughnessy and I. M. Lair, councilmen, and W. P. Walker, clerk, who were voted into office in the primary election, and you have the full slate of newly elected city officials, all pledged to an honest, more efficient and progressive city government. Who can deny Pahokee's need for such a government? But you'll never get it if you persist in settling back on your haunches until next election day rolls around and close your eyes to the way the city is being run.

You have chosen your city leaders and whether it will be for better or for worse depends largely on you. It is true you have handed them the reins of your government, however, to avoid steering into dead ends and blind alleys, they need your cooperation, your encouragement, your criticism and above all, your active interest in the affairs of the community.

Public opinion is a powerful factor in the progress of any community. When voiced through proper channels it invariably gets results. Civic organizations such as the Lions Club and the VPO have shown their willingness to act as spokesmen to the City Council in the voicing of public opinion and in this capacity are capable of doing a great service to the community. Don't matter to yourself that this should be done—speak up and make yourself heard and do what you can to assist in getting it done.

The die has been cast for another two years—may its imprint on the future of Pahokee be one for which we all can be proud!

Boy Scouts Plan Feed; Hear Pickett

John T. Pickett, Sr., was guest speaker at the meeting of Boy Scout Troop 23 in the Pahokee scout hut on Thursday night of last week. The speaker told of some of his experiences in building airfields in China.

The Troop made plans for a hay ride and hamburger fry to be held on Friday, May 17. Appointed as a committee chairman in charge of arrangements were Leiland Shirley, games and entertainment; John T. Pickett, Jr., foods; Charles Phillips, drinks and ice; James Barnes, hay. The scouts will gather in front of the high school building this evening at 6 p. m. (daylight time) to leave for the party and each has the privilege of inviting a young lady friend as a guest.

SPEAKS TODAY

Clarence Bowman, a member of the faculty of Okeechobee high school, will speak this afternoon at 2:30 o'clock at the promotional day exercises at Canal Point school. Mrs. Loel Lence, principal of the school, extends a cordial invitation to the public to attend.

PICTURES

Next week's issue of The Everglades News will carry pictures of the ceremony incident to swearing in of the new Pahokee city officials Wednesday night. Several pictures were taken and will be printed in these columns next week.

PAST MASTERS NIGHT

Past masters night was observed by members of Everglades Lodge 211, F&M, at a meeting in the Masonic Temple Tuesday night. Master Mason degrees were conferred on Axel Jensen, C. L. Hall and M. J. Sapp. Several out-of-town visitors from Okeechobee and other Lake Okechobee communities were among the 50 members and guests present at the meeting. Dave Cunningham assisted the host, A. R. Harrington, in the serving of refreshments.

Moberg Installed For Second Time As PTA President

Rev. Carl A. Moberg was installed president of the Pahokee Parent-Teacher Association for another year at the final PTA meeting of the current school year, held Monday night in the high school auditorium. Other new officers inducted were Ned Kocher, first vice president; J. D. Rogers, second vice president; Mrs. A. D. Beverly, secretary; and Mrs. W. P. Jernigan, treasurer. The incoming officers were presented with corsages and boutonnieres. Mrs. F. M. Wilson of Canal Point acted as installing officer.

The annual reports of standing committee chairmen made at the meeting revealed that the Pahokee PTA has completed a year of outstanding work with the largest membership and attendance at meetings in its history. President Moberg, in accepting the presidency for the second year, thanked officers and members for their cooperation during the past year and urged them to assist him in striving for an even better record next year.

Mrs. C. A. Shive, cafeteria supervisor, reported that free lunches valued at \$283.86 were served to underprivileged school children at the cafeteria during the year. Mrs. G. W. Byrd, Sr., was re-appointed school cafeteria manager for the coming year. Elmer Jones, Mrs. Homer Barnes and Mrs. Pat Schoepel were named on a committee to make arrangements for the purchase of a new electric refrigerator for the cafeteria.

The PTA voted to entertain members of the 1946 graduating class at a party, as has been the custom in the past. The attendance awards for the month of May and also for the year were won by Mrs. Cleo Douthitt's third grade room at the elementary school and by the ninth grade, Mrs. Ralph Grimes and Clyde Alley, class sponsors, at the high school. Parties for the children of these two classes will be sponsored by PTA.

A PTA County Council meeting in Lake Worth on May 21 was announced and plans for sending a local delegation to this meeting were discussed.

On the program Bandmaster Robert O. Lampi presented two Tonette Bands, one composed of third grade children, and the other of children of the fourth, fifth and sixth grades, in a concert of popular music. Featured on the concert were two tonette solos by Dicky Atkins.

Refreshments were served in the school cafeteria during the social hour by Mrs. Homer Barnes, hospitality chairman, and members of her committee.

New Mayor, Council And Police Take Over Pahokee Government Wednesday

Swimming Team Of To St. Pete

Harry Fremd, John Ogle, James Lathan and Donald Heller will represent the Pahokee Blue Devils in the state swimming meet at St. Petersburg tomorrow. This is the first time Pahokee high school has had a swimming team. The boys have rounded into shape and hold close to record time in many of the events. Payne Jackson is the other member of the team and is showing great promise. It is hoped that more boys will take an active interest in swimming when the swimming pool is constructed.

Pahokee's new mayor, new chief of police and three new councilmen took over the reins of government in a brief ceremony attended by a large crowd at eight o'clock Wednesday evening. Immediately following canvassing of election returns by the retiring council, T. C. Richardson was sworn in as mayor by Notary Public Claude Jones. Mr. Richardson in turn swore in the other new officials.

Robert Mackey, hold-over member of the council, was named chairman of the group and Victor Geiger, another hold-over member, was named vice chairman. Assignment of councilmen to various committees will be made next Tuesday night at another meeting of the council. All employees were retained in their present status with exception of those in the police department.

Chief Altman Morgan recommended to the council that James E. Bachelor and Dave Lovell be retained on the police force and that J. C. Tabb be named as a new member. Patrolmen L. M. Kinney and Frank W. Cline were given an opportunity to resign. Following discussion by the council as to their status, Chief Morgan said: "If it's customary I'll ask them to resign." After they resigned they were allowed an extra week's salary by the council.

Retiring Chief Albert Gant pinned the police chief badge on the incoming chief as the camera flashed. Other pictures were made for The Everglades News and will be printed in these columns next week.

\$11,000 Raised By Lions To Build Swimming Pool

A total of \$11,000 has been raised to date for the construction of a swimming pool at the city recreation park, according to report made by Rupert Mock at the Tuesday luncheon meeting of the Pahokee Lions Club. This is \$4,000 short of the amount needed to build the pool, however, work on the project will be started as soon as materials are available and donations to the swimming pool fund will continue to be received by the Lions committee until the full amount is raised, he said.

Duncan Padgett reported the club cleared \$180 on the turkey raffle held election day. Claude Jones, head of the local Veterans Service office, announced that all lots in the new proposed subdivision off Barfield Highway have been purchased by veterans.

Frank Rozelle, Sr., Rupert Mock and M. L. Keen were named local delegates to attend the Lions State Convention in Jacksonville May 16-18. A motion was passed authorizing the president to name four more delegates, making a total of seven, if he so desires. Plans for sending one more delegate to the Lions International Convention in Philadelphia July 17-20 were also discussed. Lions wishing to make reservations to either or both of these conventions were asked to contact Roy Segree, chairman of the convention committee.

horsepower) and this is greater than the maximum demand on our entire system prior to 1940. You can see we are planning for a lot of growth. I don't know of any better way to demonstrate our faith in the future of Florida."

New industrial and pumping rates announced by the company last month reduced the bills of 540 customers by \$312,000 annually.

All Customers Get Rate Reduction By Power Company

Pahokee will share in a \$2,500,000 state-wide electric rate cut announced by Florida Power & Light Company this week. This sweeping rate cut affects customers of all classes and becomes effective June 1st.

Principal beneficiaries will be the small residential users and the small stores and shops. These will get a cut of approximately \$2,000,000. The balance will be spread over industrial users and large commercial establishments. Over 200,000 customers in 321 Florida communities and adjacent rural territory served by the company will be affected.

Cities affected by the rate reduction include St. Augustine, Daytona Beach, Palatka, Lake City, Live Oak, Madison, Monticello, Perry, Sanford, Macclenny, Melbourne, Titusville, Cocoa, Naples, Crescent City, West Palm Beach, Stuart, Delray, Miami Beach, Hialeah, Coral Gables, Florida City, Fort Lauderdale, Hollywood, Pahokee, Belle Glade, South Bay, Okeechobee, Arcadia, Bradenton, Sarasota, Palmetto, Punta Gorda and Fort Myers, and territory adjacent to these municipalities.

"Despite increased fuel prices and higher wages granted to meet increased living costs," McGregor Smith, Co. president, said "a rate reduction is possible because of the steady growth of Florida and the resulting increase in our business, plus expected greater economies from the operation of new and more efficient generating plants now under construction."

"This is the fifth major rate reduction made by Florida Power & Light Company since it was organized in 1925. Based on the new rates, the average rate to be paid by residential customers will be only half as much as the average rate in 1934."

All of the company's 177,000 residential users will benefit from the new rates with the largest savings going to those who now pay monthly bills of around \$5 or lower. Nearly three-fourths of the company's residential customers are in this group and savings will average 13 percent.

Reduction in commercial and small power rates will benefit 85 percent of the company's commercial and small power users. Of these, 27,000 smaller commercial establishments, such as small stores, shops, garages and the like, will get reductions averaging more than 20 percent. Two thousand others will get reductions averaging 13 percent.

"These new rates and our \$24,000,000 expansion program go hand in hand," said Smith. "We are building four large new generating units with combined capacities of 120,000 kilowatts (120,000

Foxy Fuller

There's plenty of method in Fuller Warren's continued postponement of his announcement for the governorship.

A big convention was held in Miami recently, and there was a rule that no political candidate would be allowed to address the group. Fuller's friends wanted to get him before the convention and the convention wanted to hear him, so he was invited to deliver the keynote speech and did not having formally announced his candidacy. He was just a plain lawyer—in search of votes.

That's a plain case of having your cake and eating it, too. —Lakeland Ledger.

DDT Beef

More beef is promised by using the army's famed DDT insecticide to keep flies off cattle. Experimental tests show DDT-treated stock gaining a half pound more per day than untreated cattle. On a test running 100 days, treated animals put on an average of 50 pounds more beef than those left to swish their tails at flies without DDT's assistance.

Similar tests with dairy cows showed those DDT-sprayed increasing milk production 15 percent above the level of their unsprayed sisters.—Wall Street Journal.

Elect PAUL D. BARNES

Justice of Supreme Court (Group 2)

Thanks For Your Splendid Support on May 7. Your Vote Will Be Gratefully Appreciated on May 28.

Qualifications for your consideration:

- Born in Florida
- Graduated from University of Florida Law School
- World War I Veteran
- 20 years experience as Circuit Court Judge in Florida
- Supreme Court Experience—The late Chief Justice Fred Davis called on Judge Barnes to help out in Supreme Court emergencies many times. His latest duty with the Supreme Court was in January of this year.

Choose the man for Supreme Court Justice whose 20-year record as Circuit Judge has made him outstanding for fearless service and unbiased and fair decisions.

Elect PAUL D. BARNES

Justice of Supreme Court (Group 2)

Using Veterans, So Building Goes On

Questions have been asked as to why CPA has granted priorities of materials for the construction on the new concrete-block building being erected on East Main Street, Pahokee, opposite to the Orange State Oil Company to be used as the Dodge and Plymouth Sales Agency. Since this building, to be used as an automobile service garage and salesroom, is not associated with the veterans housing program many have wondered why CPA is continuing to grant the project priorities.

In answer officials of the CPA office in Miami give the following explanation, vouched for by officials of local veterans organizations: 1. This building was planned for before restrictions were placed on materials not going into buildings for veterans and 13 veterans are now being employed on the job who would be thrown out of work if construction was halted. 2. This building project is not interfering with any local veterans building program. 3. The owners of the building have pledged themselves to give veterans first choice of jobs after the building is completed.

New Restaurant Is Open In South Bay

Berthold Felka opened the new South Bay restaurant on Road 26 the first of the week. The manager is well known in the Glades, as he operated a restaurant in Belle Glade for 14 months, naming it the Bayfield, in honor of his son's ship.

The new building is cement block with stucco finish on the outside. The dining room, 28 by 35, is handsomely decorated in cream and red, with seats to accommodate 50 diners. It is air cooled, and equipped to give a maximum of comfort to patrons. The bill of fare will be practically the same as at the Bayfield and the same personnel will be employed.

The kitchen is 14 by 23 and completely modern, with dish washing machine, bake ovens, mixing machine and food chopper combined, meat slicing machine and other equipment, all electric. One large range and one breakfast stove, both burning synthetic gas, have been installed.

Keen—Herndon

Mrs. S. R. Whidden of Lake Wales announces the engagement and approaching marriage of her daughter, Miss Leah W. Herndon, of Pahokee and Park T. Keen, son of Mr. and Mrs. L. T. Keen, also of Pahokee.

Miss Herndon is a graduate of Lake Wales High School and for the past three years has lived in Pahokee where she is employed at the offices of the Florida Power and Light Company.

Mr. Keen is a graduate of Pahokee High School and recently received his discharge from the U. S. Army after 57 months in the service and 23 months of overseas duty in the Pacific area.

The wedding is scheduled to take place in Okeechobee on June 1 and after a brief wedding trip the couple plan to make their home on Bacom Point Road.

BPW Club Meets With New President

Members of the Everglades Business and Professional Woman's Club met at the home of the new club president, Tommie Lee DuBose, last Tuesday.

It was reported that the local quota of \$1,000 was almost reached in the Cancer Drive which was sponsored by the B&PWC. Plans were discussed for sending local delegates to the BPWC State Convention in Jacksonville this weekend and to the National Convention in Cleveland, Ohio, in July. Cleo Douthett gave a report on the recent installation of officers of the Belle Glade B&PWC which was attended by six members of the local club.

36 Veterans Take Lots In New Tract Off Barfield Hwy.

All 36 lots in the new proposed 10-acre subdivision off Barfield Highway opposite Lair Athletic Field have been purchased by veterans, the full \$10,000 purchase price of the tract has been collected by the Veterans Lots and Homes Committee and the transfer of title of the land to the veterans is being made this week.

Purchasers of lot numbers were made by the following veterans: Lot 1, Melvyn Pugh; 2, Calvin Spooner; 3, I. J. Frasure, Jr.; 4, Lorenzo Connel; 5, Bishop Starling; 6, Paul Collier; 7, Carmen Salvatore, Jr.; 8, Gerald Williams; 9, S. E. Gammage; 10, Jack Phillips; 11, Paul Sasser; 12, Angus Cowart; 13, Kenny Mock; 14, Laverne Humphries; 15, J. E. Sullinger, Jr.; 16, Owen Todd; 17, Tiny Todd; 18, J. W. Guthrie; 19, J. M. Vandegrift; 20, George Ferguson; 21, Bill Rice; 22, Walter Rives; 23, Marvin Vandegrift; 24, C. A. Straehle; 25, Dorsey Pugh; 26, David Unwin; 27, Charles A. Baker; 28, Monroe Pope; 29, J. E.

Mills; 30, J. E. Wilson; 31, Herbert Thorneberry; 32, Dalton Garrett; 33, Albert Cowart; 34, Jack Carr; 35, Roy Browning; 36, Josh Everett.

At a special call meeting in the city hall Monday night planning committees to get the development of the subdivision underway as soon as possible were named as follows: Roads and sidewalks committee, Jack Phillips, Monroe Pope and Kenneth Mock; title insurance and building restrictions, Roy Browning, Melvyn Pugh and Angus Cowart; clearing of land, J. W. Guthrie, Albert Cowart and Carmen Salvatore, Jr.; surveying, Calvin Spooner, David Unwin and Kenneth Mock; building plans and specifications, Paul Sasser, Melvyn Pugh and George Ferguson; materials and supplies, J. E. Sullinger, J. M. Vandegrift and Jack Phillips; electricians, J. E. Sullinger and Paul Collier.

Mrs. Pete Chiviges and son, Jack, left on Thursday of this week for their summer home in Benton Harbor, Mich., after spending the season here.

Mr. and Mrs. Preston Miles have returned to their home in Dayton, Ohio, after a visit with Mrs. Miles's brothers, Lynn and Claude Shirley, and families in Pahokee.

Mrs. Valette Wiley Honored With Party

Mr. and Mrs. Earl M. Meredith entertained at their home on Bacom Point Road Sunday with a dinner party and family reunion, honoring on Mother's Day Mrs. Meredith's mother, Mrs. Valette Wiley, of Pueblo, Colo., who is spending several weeks in South Florida visiting her daughters and son in Lake Worth, Pahokee and Belle Glade.

Others attending were Mr. and Mrs. C. C. Clawson, Mr. and Mrs. Willard G. Smith and sons, Clayton and Wendell, Mr. and Mrs. James Wiley, and Mrs. Ina Mulhollen, of Lake Worth, Mr. and Mrs. Kenneth Lutz and daughter, Kaye, of Belle Glade and Earl Douglas Meredith.

Also honored at the reunion were Mr. Clawson and Mr. Meredith who were celebrating recent birthday anniversaries.

MEN'S BIBLE CLASS

A most interesting session of the Pahokee Men's Bible Class was conducted last Sunday, Mother's Day, with 72 in attendance. The special guests, Mesdames Grimes, McIlwain and Buchanan, 80, 80 and 75 years of age respectfully, were the recipients of several lovely tokens in keeping with occasion. The musical program presented by the Class quartet was well received. Another program of like order will be arranged for Father's Day, June 16. A committee will be

appointed on Sunday. The lesson for this week, "Believing is Seeing", will be taught by the teacher, Rev. C. A. Moberg. The quartet will favor with two selections. H. L. Jaudon will preside. It is hoped that all the members will attend that expressions relatives to the new sealing arrangement suggested by C. L. Shirley, be forthcoming. A most cordial invitation is extended to all unaffiliated men, visitors and service men. Time 9:45.

Pahokee Baptists Have Fruitful Day

One of the most fruitful days in the history of the First Baptist Church, Pahokee, was the experience of last Sunday. Two hundred and thirty three attended the Sunday School, with 86 in the Training Union. Capacity plus was the attendance at the church services, again proving the need of a new auditorium. Seven united, one on the promise of a letter and six upon their acceptance of Jesus Christ as their personal Saviour. These with six others will receive the ordinance of baptism this Sunday at 3:30, Canal Point Baptist Church, with the probability of several more who are contemplating thus affiliating themselves in the near future, likely Sunday morning.

The pastor, Rev. C. A. Moberg, will preach on the next in the series of sermons based on "The Sermon on the Mount." The subject will be "Give Us This Day Our Daily Bread." The Ladies Quartet will sing "The Lord Is My Shepherd." At the night service, 8:30, the pastor will preach on the thirteenth of the Baptist Articles of Faith (elsewhere printed in this paper) titled "A Gospel Church." "What is the difference between The Church and a Church?" "Is it possible to be a member of both?" "One and not the other?" "Which Denomination is The Church?" These and other questions will be considered in this thought provoking sermon. The usual, unusual song service with augmentation by the twenty one piece-gospel orchestra, will be conducted by R. Cowart. The "Illuminated Cross Meditation" will again be presented.

Shirley Circle Has Spring Bible Study

Members of the Gertrude Shirley Circle presented the spring Bible study of the Pahokee Methodist WSCS at the church on Thursday evening of last week.

Mrs. D. D. Caudill was in charge of the presentation of the study which had as its theme, "Fatherhood of God." Others taking part were Mrs. B. Elliott, Mrs. J. A. Dulany, Mrs. Wallace E. Pope and Mrs. Glen Abing. Mrs. Caudill also sang "The Perfect Prayer," accompanied at the piano by Mrs. H. C. Graham. The consecration prayer was led by Mrs. J. M. Elliott.

This was the second part of the WSCS spring mission and Bible study which was presented by the Simonson-Lair and Gertrude Shirley Circles in the form of an attendance and presentation contest. The Gertrude Shirley Circle was judged winner of the contest and will receive the proceeds of a silver tea given by the Simonson-Lair Circle, the date to be announced.

CAR SALE

Our West Palm Beach store has acquired a large stock of late model, low mileage, clean cars. Practically every make, model or body type to choose from. We suggest you act now and get a better, newer car. Any of these cars can be bought at or below O. P. A. ceiling with or without a trade in.

APPRECIATION

To Pahokee Citizens:

I enter the job of councilman with the idea in mind that it is the will of the majority of the citizens. I am deeply appreciative of the excellent support I received in the election and will work co-operatively for a bigger and better Pahokee.

I believe you have a group of men on the council who will work to the end that Pahokee will grow and prosper in the future. I ask the suggestions and ideas of all for a greater Pahokee.

Don Hillier

THANKS

To Pahokee Citizens:

I am grateful to the citizens of Pahokee for the splendid vote I received on Tuesday which made me Chief of Police for the next two years. I shall always be mindful of the wholehearted support of the fine citizens and will do my utmost to merit this confidence.

I seek your co-operation in the execution of the duties of my office. Please feel free to call on me in the future with constructive ideas for the betterment of our town and community.

Altman Morgan

Births

Mr. and Mrs. Boyd Foster Emery of Pahokee announce the birth of a daughter, Helen Frances, at the Everglades Memorial Hospital on May 11.

Mr. and Mrs. John Benjamin Mills of Pahokee announce the birth of a son, John Benjamin, Jr., at the Everglades Memorial Hospital on May 10.

Mr. and Mrs. James Franklin Godwin of Pahokee announce the birth of a daughter, Verna Jean, at the Everglades Memorial Hospital on May 12.

Mr. and Mrs. Junius T. Harris of Belle Glade are the parents of a daughter, Evelyn Marie, born at St. Mary's hospital in West Palm Beach May 13.

Mr. and Mrs. T. W. Knight of Pahokee announce the arrival of a son, T. W. Knight, Jr., (Tommy) at the St. Mary's hospital in West Palm Beach on Monday, May 13.

4-H Girls Attend Meeting On Coast

Mrs. Oliver Hatfield, local leader of the Canal Point 4-H Club, took her girls on Saturday to West Palm Beach when they attended the Coastal area of the 4-H club Achievement Day. During the afternoon they went on a swimming party.

The Canal Point Club is the leading Club of the County. They hold a 3 year certificate for Standardization and we should be proud of our girls.

Anyone having beans or other vegetables they would like to donate to the hungry people of Europe or other foreign lands, please get in touch with Mrs. Hatfield at her home, phone 529 or the School 3811. The 4-H girls are very anxious to do your Canning for this purpose and thereby make their contribution to help feed the hungry.

Mrs. Cora Spence, Lake Worth, and Mrs. Hanson, Portland, Ore., were recent guests of Dr. and Mrs. L. W. Armstrong in Pahokee.

Our dealers join us in making this frank report to THE FARMERS OF AMERICA

INTERNATIONAL Harvester is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit, to try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules off balance, too. There are many "chores" we must do before new machines reach you.

Material shortages

The preliminary chores of getting our plants back into shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. The coal situation may also prove serious—we hope not.

Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

Stock and display rooms of our dealers represent not one, but ten thousand reservoirs which must be refilled. The most heroic pro-

duction efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkle of parts and machines all over the country—not a downpour in any one section.

You will be glad to know that all repair parts production schedules are far beyond normal.

No hoarding

You may be sure that every machine will be shipped to dealers as soon as completed. We do not and will not hold machines off the market.

At the start of the strike we had on hand at all our factories and branches just 837 tractors of all kinds—less than two days' production—and 405 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "float" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

What dealers may have for you

We can report to you that our current production on TRACTORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on PLOWS

and DISK HARROWS is reasonably good. On COMBINES, MOWERS, HAY RAKES, ONE-MAN HAY BALERS, CORN PICKERS and many other items, our schedules have been seriously disrupted. We must in fairness say that many of our customers are likely to be disappointed on delivery of these machines. On MILKING MACHINES, STATIONARY ENGINES, and some other small units we are hopeful of making practically normal delivery.

We know you will understand the reasons why your dealer can not fill your orders overnight. He would like to give you the kind of delivery on machines you would like to get, but his situation is a difficult one and not of his own making. He is doing the best he can.

No cutting corners on quality

There is one thing you can be absolutely certain about: We will NOT cut corners on quality in order to increase production in this emergency. For years we have said: "QUALITY IS THE FOUNDATION OF OUR BUSINESS." Today we say it—and mean it—as much as ever.

We know you need new machines—and need them badly. But we believe it will pay you to wait just a little while longer if you cannot get all you want immediately. By waiting you can be sure your new equipment will have the quality so rightly associated with INTERNATIONAL HARVESTER for so many years.

INTERNATIONAL HARVESTER

Cinematic Chatter

By Malcolm Millar

Edward G. Robinson, with Margaret O'Brien as a co-star, moves into the Prince Theatre for the Sunday-Monday run in "Our Vines Have Tender Grapes", from the novel by George Victor Martin.

Tuesday-Wednesday stars a trio of, to my idea, the finest actors in Hollywood, they are Barry Fitzgerald, Walter Huston and Louis Hayward, and their show is "And Then There Were None."

Story concerns ten strangely assorted people who are tricked into visiting a lonely island somewhere in England. There they are marooned. Then their host, who is unseen, proceeds to kill them one by one, each meeting his doom in some horrible manner.

Thursday-Friday brings another horror show, under the title "The Spiral Staircase." Perhaps you read the story when it came out in novel form. If you did you will agree with me that it is one of the most, fascinating mystery story's that has been screened in some time.

Cast has clever Dorothy Mc-

Guire, George Brent and Ethel Barrymore as the stars and a very excellent cast of featured players in support.

Saturday brings the double feature, with "Saddle Serenade", starring Jimmy Wakely and Lee "Lasses" White in an exciting Western story.

Second picture up is "Pursuit to Algiers" which should furnish you with enough suspenseful moments to make your visit to the theatre an enjoyable one.

See you at the movies—Mal

Life On The Campus

AT PAHOKEE HIGH SCHOOL

The students of Pahokee High School enjoyed a field day program on Lair Field May 3. It began after lunch. The first contest of the program was a peanut race won by Sidney Caruthers and Charles Holmes winning second place. The girls did not participate. Next was a 50 yard dash with many contestants. Eddie Hodges and Melvin Tillis won for the boys; Joan Wilson and Dellona Jones won for the girls. Harry Fremd and Curtis Mock won the running broad jump for the boys; Rudy Hollingsworth and Mary Nell Moulton won for the girls.

After this race it started raining, and other contests were held in the gym. The sack race, next on the program was won by John Ogle and Harry Fremd. Many students entered the three-legged race and many discovered the "softness" of the gym floor. Richard Ogle and George Rozelle won first place. Jackie Sullivan and Bill Miller won second place. The girls race was won by Nina Ruth Barwick and Barbara Brown, with Betty Ann Sears and Dellona Jones coming in second.

The egg-relay was very funny, students running with raw eggs in spoons relaying to their partners. Their partner ran back to the starting point. This was won by Harry Fremd and John Ogle, and

second honors won by Earl Chance and Richard Tillis. For the girls Betty Ann Sears and Ann O'Connell; second place was won by Agnes Graydon and Emma Durance. The pie-eating contest with blackberry pies was next, with Nannette Peoples swallowing the last piece and whistling first. Anna Lee Hurt whistling second. Charles Phillips won the pie-eating contest for the boys.

It then stopped raining and the next race was held on Lair Field. It was the hundred yard dash for boys under 110 lbs., and George Rozelle won first; Melvin Tillis, second place. The hundred yard dash for boys over 110 lbs., was won by Jasper Reed, first, and Rodney Connell, second.

The final contest on the program was baseball thrown by Bill Elam throwing the farthest and Kyle Hatfield next. Ann O'Connell won first and Barbara Brown second for the girls. This was indeed a great day and we wish to thank Coach's Alley and Brown, Miss Mitchell and many others for helping with this splendid program.

David Multach, Harold Thomas and Jimmy Shirley were visitors of Pahokee High last week. We are always glad to have these Alumni visit us.

Both the Junior and Sophomore class had a beach party Saturday and everyone reported having a wonderful time.

NOTICE TO ALL NATURE LOVING CITIZENS

There is great news on the Florida Conservation Front, come and help with the battle to restore and preserve our fish and Game. A big job for all Sportsmen of Florida, Friday 8 p. m. there will

be a meeting of the Wildlife League of Palm Beach County, Fishing Club, Flagler at Fifth Street. At this time there will be the election of Officers. Ladies Unit 1 at West Palm Beach are welcome to become members and help in this important movement.

DeWitt Upthegrove, Vice President.

Mr. and Mrs. Jess Walton spent last week in Atlanta, Ga., with their daughter, Mrs. J. Clark Johnston. While in Atlanta Mr. Walton was under the medical care of Drs. Voght and McDonald.

Dr. and Mrs. L. W. Armstrong and niece, Blanch Elizabeth Bowers, visited relatives in Orlando Sunday.

Baptist Article Of Faith No. 13 "A Gospel Church"

"We believe that a visible church of Christ is a congregation of BAPTIZED BELIEVERS, associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ; governed by His laws; and exercising the gifts, rights, and privileges invested in them by His Word; that its only Scriptural officers are Bishops or Pastors, and Deacons, whose qualifications, claims, and duties are defined in the Epistles to Timothy and Titus."

NOTICE RE: PAHOKEE DRAINAGE DISTRICT TAXES FOR YEAR 1946

NOTICE IS HEREBY GIVEN that in accordance with the provisions of Chapter 1942, Laws of Florida, Acts of 1937, the Board of Supervisors of PAHOKEE DRAINAGE DISTRICT, a drainage district organized and existing under the laws of Florida, and County, has caused to be prepared a budget showing the Debt Service requirements of the District and of the maintenance operation and administration during the year beginning on the first day of November, 1946, and ending on the thirty-first day of October, 1947. Said budget, among other things, shows the amount of General Debt Service Tax, the amount of the East Unit Debt Service Tax, and the amount of East Unit Maintenance Tax per acre necessary to be levied upon the lands within said District for the year 1946.

The said budget is now on file and may be examined at the office of the Secretary of the District in Canal Point, Florida. The Board of Supervisors of the District will meet at 2:30 o'clock P. M. Eastern Standard Time, on the thirty-first day of May, 1946, at the office of the Secretary of the District in Canal Point, Florida, for the purpose of hearing objections and complaints with respect to the said budget, and for the purpose of transacting such other business as may properly come before said meeting.

DATED this 25th day of April, 1946.
BY ORDER OF THE BOARD OF SUPERVISORS OF PAHOKEE DRAINAGE DISTRICT.
By: R. Y. Patterson,
Its President.

Publish May 10, 17, 1946.

HOME From The WAR

Marion O. Ogle, fireman 1-c, recently received his discharge from the Navy at the Jacksonville Naval Base after 38 months in the service. He also served as an aviation machinist's mate while in the navy. He is now at the home of his parents, Mr. and Mrs. Claude T. Santee in Canal Point.

Clarence Major, AETM 2-c, recently was released from the Navy at the Charleston, S. C., naval base after 31 months in the service and 18 months of overseas duty in the Pacific area. A student at Clemson College in South Carolina before joining the Navy, he plans to continue his studies at Clemson at the opening of the first semester in the fall. He is now visiting his parents, Mr. and Mrs. C. A. Major, at their home in the Cochran Apartments, Pahokee.

Members of the Pahokee Methodist Woman's Society of Christian Service were handed rain checks during the downpour Monday afternoon when their meeting was postponed until Monday, May 20, at 3:30 p. m.

Sponsor Collection Of Food For Hungry

The Canal Point WSCS is locally sponsoring a drive to gather canned food for the starving millions in Europe. It is asked that No. 2 cans of food be placed in the collection centers at the Canal Point grocery stores. It is hoped that only food of high protein value will be donated. The collection idea is interdenominational although being sponsored by the Methodist group, it was pointed out. Mrs. T. W. Griffith is local chairman.

Hood—Strickland

Mr. and Mrs. J. T. Strickland of Pahokee announce the engagement of their daughter, Miss Joyce Strickland, to Kell E. Hood, Jr., of Okeechobee.

Miss Strickland attended Pahokee High School and is now employed at Chandlers Sundries. Mr. Hood was a student at Okeechobee High School before joining the Army. He was recently released from the service after 18 months of overseas duty in Germany and is now associated with a service garage in Okeechobee.

DO YOU KNOW HIM?

The Home Service Department of the Palm Beach County Chapter, American Red Cross, is still seeking information as to the whereabouts of Franz Frindt, according to Mrs. Mildred O. Posten, Home Service Director.

Mr. Frindt's son, who lives in Austria, has asked the American Red Cross to help him locate his father who was last heard from in West Palm Beach in 1937.

The only facts available to the local Red Cross chapter are that Mr. Frindt was a carpenter and was born in Germany.

Churches Of Christ, Scientist

"Mortals And Immortals," is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, May 19.

The Golden Text is: "Henceforth know we no man after the flesh: yea, though we have known Christ after the flesh, yet now henceforth know we him no more" (II Cor. 5:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands: Neither is worshiped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things" (Acts 17:24,25).

Members of the Pahokee WSCS who attended the Methodist WSCS district meeting at Northwood Church in West Palm Beach on Wednesday of last week were Mrs. J. D. Rogers, Mrs. Arch Blakey, Mrs. T. L. Burns, Mrs. T. A. Ferguson and Mrs. Ralph Stanley.

"Our customers are mostly voices on the telephone"

To a lot of businesses, customers are better known by their voices than by their faces. They order by telephone—seldom come in person to buy.

Many merchants conduct their buying in the same way. The telephone is the funnel through which flows an endless stream of commercial transactions.

Businessmen have grown accustomed to continually rising standards of telephone performance. But with the Telephone Company—as with every business—the maintenance of that performance is directly related to the maintenance of earnings.

In 1945, telephone earnings were the lowest in more than two decades. In the current year, even lower earnings are in prospect. Wages have been increased, in keeping with the national trend, and the cost of everything else which goes into the furnishing of telephone service is steadily rising.

As every business man knows, adequate earnings are a primary requirement of American enterprise. Telephone earnings must be sufficient to provide the kind of service you expect and to attract new capital for continued expansion.

In a word, adequate earnings safeguard the full usefulness of the telephone in carrying on the affairs of the community.

"SERVING THE GLADES"

Personal

Mrs. Jack Phillips and daughter, Betty Jo, and Mrs. Paul Sasser are visiting relatives in Wauchula this week.

Mr. and Mrs. Alvin Armstrong visited relatives in Miami over the weekend.

B. S. Waring was a business visitor in Orlando on Wednesday of this week.

Mr. and Mrs. Ellsworth Keen have returned from a two weeks' visit with relatives in Arcadia.

Mr. and Mrs. O. B. McClure visited Mr. and Mrs. Charles Perkins and family in Fort Pierce on Tuesday.

Mrs. W. R. Kaufman and son, Rex, visited relatives in Fort Lauderdale on Tuesday.

Fred and Percy Mansfield Post 90, American Legion, will conduct a meeting in the city-hall on Monday night at 8 o'clock.

Mr. and Mrs. Norman Kennedy and children visited her mother, Mrs. Dewey Morris, in Delray Beach the past week.

The meeting of the local post, Veterans of Foreign Wars, scheduled for Wednesday night of this week was called off because of the absence of several of the post officers who were attending the American Legion Convention at West Palm Beach. The next meeting of the VFW post will be held on Wednesday night, June 5.

Judy Cunningham Has Birthday Party

Mrs. D. W. Cunningham entertained at the Woman's Club building Thursday afternoon with a party for her daughter, Judy, in celebration of her fifth birthday anniversary. Pastel colors were used in party decorations and guests were presented with candy cup favors. Mrs. Ben S. Waring assisted the hostess in the serving of refreshments.

Guests were Sandra Lampi, Ben-

nie Baxter, Kathy Wilson, Nancy Thomas, Jill Melvin, Ann Rita Burns, Susan and Alvin Johnson, Homer Frasure, Jr., Kathy Johnson, Carl Watson, Barry and Dee Roach, Wayne Beardsley, Rosa Mabel and Martha Ann Waring, Kenny McIntosh, Alice Joyce and Kathleen Spencer, David and Walter Ray Fountain, Sylvia Parrish, Joe Sid Caudill, Shirley Ann Kincaid, Eddie Vertommen, Harleen Williams, Dorothy, Thor and Richard Hatton, Cline Faulk, Joe E. Beverly, Larry Elliott, Kappie and Amie Roell, Myra Jones, Judy Chandler, Wayne Elliott, Othen Gilbert, Ouida Lanier, Linda and Martha Sellers, Robert and Janette Mosley, Clyde Alley, Jr., Vickie Alley, Mackey Acree, Steve and Bobby Brown, Lalar Kay Cross and David Cunningham.

MASONS MEET

Past masters night was observed by Everglades Lodge 211, F&AM, at a meeting in the Masonic Temple Tuesday night. Master Mason degrees were conferred on Axel Jensen, C. L. Hall and M. J. Sapp. Fifty members and guests were present including several visitors from Okeechobee and other communities in the Lake Okeechobee area. A. R. Harrington was in charge of the serving of refreshments.
